#### Disclaimer

The terminal part of any patent granted on the above-identified patent application which would extend beyond the expiration date of the full statutory term of any patent issuing from U.S. Patent No. 6,738,746, as may be presently shortened by any terminal disclaimer, is hereby disclaimed, and it is agreed that any patent granted on the above-identified patent application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U. S. Patent No. 6,738,746, this agreement to run with any patent granted on the above-identified patent application and to be binding upon the grantee, its successors or assigns.

No disclaimer is being made as to any terminal part of any patent granted on the above-identified patent application prior to the expiration of the full statutory term of any patent issuing from U. S. Patent No. 6,738,746, as may be presently shortened by any terminal disclaimer, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C. F. R. § 1.321, has all claims canceled by reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer.

Charge IBM Deposit Account 09-0457 the sum of \$130.00. The Commissioner is hereby authorized to charge any deficiency of payment of fees associated with this communication, or credit any over payment, to IBM Deposit Account No. 09-0457. A duplicate copy of this sheet is attached.

Respectfully submitted,
